“ Tyler has a special place in my heart, and that will never change. Tyler was friends with my sons and he was a huge support to me when my youngest son passed away. Always telling me to be strong, and that my son was in a better place and was no longer in pain. If he only knew how much those words meant to me, and how much I appreciated his kindness. I pray that God may provide strength during these most difficult times for his family, and I know Tyler will watch over his son as he was one proud daddy. Rest in peace sweet boy.
