“ Vera added joy to my life for 18 years as an email correspondent. She was a kind and generous soul, willing to share her home, family and thoughts with me via story and photographs. Even though I never met her in person or heard the sound of her voice, I did indeed hear the music of her soul, and I was privileged beyond belief. Sincere prayers for Tom, those beautiful daughters, grandchildren and great-grandchildren.

Karen L. Fisk, AuTrain, Michigan
