“ Vicky and I met as soon as Bobbie Joe and I moved from Andrews, SC to North Augusta. in 1964, I believe.. Luke and Bobby Joe started up Cox Newsprint in Augusta, GA and for many years worked together until retirement. We were at each others house almost every day. We were with each other when we had our children!. She was like a sister to me, we went to the same church. If there was things going on it was Vicky and Audrey. Luke and children I'm so very sorry to hear the passing of my sweet friend. So wish I could have been there for you, but can't travel right now. Those were the best days of my life! I will cherish my memories, I have so many. God Bless you Luke, Joy, Jill, Ritchie and children. My prayers are with each and everyone of you. She's only slipped away into the next room, and soon we all will be together in God's Holy Eternal Home. Many Hugs to my best friend of 50 years! I will miss you, until we meet again. Audrey Crosby

She always loved God and had strong faith in Him..I know that it is going to be hard for all of the family to adjust without having her in your life but I do pray for all of you that God will give you the strength and comfort that you need during this difficult time !!

“ Luke I remember when we both worked at Augusta Newsprint. Those years we were a second family . Vickey was always so warm and open arms to all of us. I can only tell you that time with God's help can help you. Since, I just lost Nelson in July I must say I really didn't fell like I was going to make it. I certainly realized that God was in front and in back of me. He will never let us down. I'll pray for you and your family during this time and afterwards. May God Bless you, Luke. Joyce Ramsbotham

“ Luke, Rich, Joy and Jill, I am so sorry about the passing of sweet Vickey. She was one of the most precious ladies I have ever known. Before we had children, we used to sit around and talk about how wonderful it would to be a mother. I know her dreams were fulfilled when each of you came along. Each time I saw her after she began to have health issues, she would always say "I'm gonna be alright". And she is...she is at home where she is no longer in pain. She loved her family unconditionally. Our prayers are with each of you, as you go on without her, you have so many sweet memories of her, and these will carry you through the rough times ahead. You are only saying "goodnight"...not "goodbye"..for you will meet her in the morning.
