“ *Nephew of Vic. We spent a lot of time playing basketball when I was a kid. He taught me some moves unknown to most on the basketball court. Great man, of few words, who will be missed!*

“ *Sister, Betty, We shared good times growing up and he will always be my *little brother*. Brother-in-law Ron remembers the time they went to a Steeler game in the coldest & snowiest weather and they had a great time. His nieces, Sue and Jan, remember playing sports with Uncle Vic in the back yard at Grandma and Grandpa's house. We will love him always.*
