“ So sorry to hear of Vikki's passing. I kept up with her on FB and knew she had been sick for awhile. My favorite memories of Vikki was many years ago when she and I would take Tripp and Ruthie shopping pushing their strollers on Broad Street. We went into every store especially JC Penny's. Time flys by but will always remember her beautiful face smiling at Tripp. My condolences are with you Buffi and Tripp and family.

“ Take comfort in knowing that your Mom will always be with you, in your hearts, as well as the people you've become. She had a hand in shaping who you are and her memory and legacy will continue. She was a sweet lady and will be deeply missed by all

*Do not stand at my grave and weep
I am not there. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there. I did not die.

“ *Vikki was a dear friend to me. Even if at times I was not as good a friend. That is how she was though. Loving and kind. I always called her McGiver because she could make something, fix something with little money and supplies. She made me laugh. I will truly miss her. Prayers to you Buffi and Tripp. She loved you both very much. She adored her grandsons. Love you all!! Loved her!*

Buffi and Tripp you are in thoughts and prayers during the days ahead. Like I said i can talk all day about my friendship with Vikki. She and I have shared allot and we're best friends. I have always been considered family by the entire family and that has meant the world to me. I am just relieved that she us not hurting anymore. I will always cherish my last 3 hours alone with her at GRU last week. We laughed and talked about them two grandsons and, the tales she told me were really priceless. We spoke of you and Tripp. She loved her children all 3 and her grandsons gave her strength for a long time. I am numb to say the least but, I got Rd 44 coke today just for old time sake. I am here if you ever need me. Know I love you all deeply.

Vikki was a lovely lady - very talented, beautiful, friendly, and delightful! She was treasured and loved by many. I always appreciated her devotion to her family. Her children and grandchildren were blessed by a faithful mother and Nana whose love for them was unquestionable. She was a marvelous sister and an adoring aunt. Heaven is a happier place today because Vikki is there. There is no doubt our loss is heaven's gain.

Buffi and Tripp just want you to know you are both in my prayers. Your mom was a great person. She always found the good and or humor in various situations I.e. Peanuts and or Plains escapes, trips on the bus. She was very proud of her grandsons and loved being with them. She was a great friend and I will miss our chats and visits. I would always bring her sonic ice. Know that all of her family was very dear to her and she will be missed by a lot of people. Take peace in knowing she is pain free and is up in heaven looking over all her family.
