Vince and I did not cross paths during our military career, but we were close co-workers during our retirement years. We had a lot in common since I also am a retired CMSgt, USAF. We were also Security Police Superintendents in our careers. A very dedicated and conscientious worker.

“ We have sent for a grove of 5 memorial trees to be planted from our family of 5 in honor of your original 5. My favorite memory of Uncle Vince is when he lived with me for 6 months in 1994 while he was working a contractor job in Fairfield. Thankful he is with our Lord. Love to all, Jim, Deborah, Mary, Sarah and John

What a good man he was. Truly a good man. I have so many fond memories of him, and just thinking about them now is making me laugh and smile right now. One I will hold on to forever, is when he took me fishing to a paid trout lake near my house when I was about 8 to 10 years old. I'll never forget the love of fishing he had and so grateful he passed it on to me. I still have that old cork handled Zebco fishing pole he gave me. He felt like he was a father to me then. We will miss you Uncle Vince but so glad Pam and I got to see you a couple years ago. Love you ...RIP ❤️

“ Our sincerest condolences to his wife and family at this sorrowful time. Vince and me spent the better part of two years together at Sembach AB and the grunstadt site. Some people thought that we were brothers, but not by blood but as friends. We but a lot of beers away while stationed at Grunstadt. What a great guy and friend. I met my wife there and got married on Valentine's day, the day we were off duty. He was part of our friends and my wifes family.
