*Absolutely beautiful tribute to a beautiful man, soldier, son, brother, husband, father, grandfather, great grandfather, uncle and brother-in-law and friend that anyone could ever know! He dearly loved his Family his Church, his Navy Service Buddies and his Lord and Savior! He was a, loving, caring, thankful and happy-go-lucky individual ! I was very lucky to have him as my Brother-in-law ! He never failed to make me laugh and make me feel like part of the family! I will miss his mischievous antics and his gleeful laughter! I loved him and will miss him, but I know he is resting in peace with his Lord and Savior and pray we will all be together one day, in Heaven!
Rest In Peace and love, Virgil Eugene Woody!*

“ *How do you pay tribute to someone when words seem to lack the emotion one wishes to convey. I will simply state that to me Virgil Woody was the epitome of a Southern Gentleman. He loved his Lord and Savior, his family, his country, and his community. He had a wonderful sense of humor and his laughter could fill any room. He had a heart full of kindness that he put in to the act of caring. He did not seek praise or recognition for any thoughtful deed. He was a humble man that built a beautiful life. I had the honor of calling him my uncle. I am sure that I speak for all that knew him when I say that my life is better because he was a part of it. I think the greatest testament to a person is the people that celebrate their life and truly miss them when they no longer walk the earth. If leaving behind a legacy of love, caring and kindness is bar for which one is measured then I will simply say Uncle Virgil had a live well lived.*

*May God bless and keep his family in the light of his amazing grace,
All my Love,
Melody*
