“ *Virginia was a special person to so many. She loved her family, her friends, and especially her Lord. Family reunions will not be the same without her wit, perspectives on life, and her sense of humor. She always made me laugh and I totally enjoyed her candor and spunk. We were all truly blessed to have her in our lives and we will honor her by continuing to remain a strong and close-knit family. Virginia wouldn't have it any other way. Yes, we are blessed!*
