“ *I was so sorry to hear of Vivian's death. I met her at NHC while visiting a relative of mine who is a patient there. I enjoyed Vivian's big smile and friendliness. She and her roommate seemed to have a special bond, and I looked forward to dropping by their room to say hello. I know you will miss her. The video tribute shows a close, loving family.*

“ I am so sorry about the loss of Vivian, We played basketball together in high school  
She really fulfilled her career as a nurse. When my husband had a heart attack and was brought by ambulance from work to her at university. Vivian was working and went out of her way to find a room for my family to be together and I have never forgotten that .She and Red were meant for each other and hope you find comfort in them being together,
