“ *I've been so blessed with Uncle Sandy and Aunt Ruth who welcomed me into their family 40 years ago. To say he was "Uncle Sandy" is an understatement. He was more like a father, brother and a best friend. I'll never forget the many times sitting on the lake in Baxley, Ga with him teaching me how to catch a brim, the many all nighters of playing cards at their kitchen table, laughing and him winning all the time! His jokes and one liners would bring smiles and laughter even on the saddest days. My casino slot buddy on cruises...rubbing his hand for luck. The phone number I called when I needed a shoulder! He was the sweetest, caring most loving man and I will miss him so much! Until we meet again... keep then laughing in Heaven Uncle Sandy! I love you and Aunt Ruth more than you'll ever know.*

“ Sandy, my brother-in-law, but so much more to me. He was a good and loving husband and no-one could want a sweeter person as a family member. He's was always there for ever one. I could talk to him about anything. It has only been a short time but it seem like forever. Thank you for everything and for taking care of Ruth. I Can't fills your shoes but I will always be there for her and do my very best.

“ My heart is breaking to think I will never again hear one of my baby brother's funny jokes, see his smiling face and feel his big hugs and kisses. Our lives have been blessed to have had him for 74 years. What great times we shared fishing, playing cards and eating out together. He loved his family, his God and wonderful friends and neighbors. He was so easy to love and he loved freely. We miss you already, sweet brother.

“ I remember Uncle Sandy's wonderful hospitality, big smile and infectious laugh! I am also thankful for he and Aunt Ruth welcoming me into the family nearly 37 years ago! It has been my honor and a true pleasure to know you and be part of your family! We grieve your loss, but not as those without hope! Until we meet again, Molly's and my prayer is that these verses may bring some comfort to those loved ones left behind. Psalms 16:11 and Psalms 116:15

“ Favorite memory is Sandy, brown as an Indian, ten years old, spending all day long diving and swimming at Panic Pond in North Augusta- he was as slick as an otter. Another water story was when Sandy and Ruth visited us in Key West and I was pulling him behind the boat while he viewed the bottom with his snorkel on. Somehow I pulled him across a large shark. I still think he walked "on the water" to the boat and over the engine to a seat on the boat. It was a great time.

Sandy was always a pleasure to be around, never complained, was always positive and always loved his family. Not sure I have ever known a more gentle and kind person..

Alice and I will miss him greatly - a part of our life goes with him.

Rest in peace - we love you!
