“ *I am sorry to hear of your loss. I am truly blessed to have been able to spend time and get to know your father. His cheerful voice will be missed. Even though we have never met, Mr. Wally spoke of you both with the greatest of love and joy. God bless you.*

“ I was so sorry to read of Mr. Bentley passing. He was a special patient of mine when I worked for his doctor, Dr. Charles Green. Mr. Bentley would bring us baskets of chocolate candy in on each appointment and we loved sitting and talking with him about what he was working on in his shop. Such a sweet and gentle soul who will be missed.##imported-begin##debbie jordan##imported-end##

“ Skip and Carolyn, Wally and I have had a wonderful relationship since we began working together at Olin Chemicals in 1965. Not only were we coworkers, but our Olin group is family to all of us and we love each other. I have always admired Wally and his outlook on life. I remember how much he loved you mother and you and how he considers Carolyn his daughter. I am in Gainesville, GA with my daughter and greatly regret that I will be unable to be at visitation. Wally is pleased I'm sure to be going back home to Chattanooga. We are never ready to see our beloved family leave us, but we are assured of a perfect home in Heaven. My love and prayers are with you during this hard time in your lives, Jane##imported-begin##Jane Williams##imported-end##
