“ I had the pleasure of meeting and hanging around with Wally way back in the early '70's when we were both in VP-40 (Navy) out at Moffett Field, Cal.. We also were in Iwakuni, Japan in '75. I always thought the world of Wally. What a great guy, and I can't express how sad I am to here this news. The world should have more Wally Blackwells in it...R.I.P. my friend...I wish I could have met with you again just to say hello...Larry Hopkins

“ Dearest Brandon, Clete, Linda and family members,

It was with a great sense of loss and shock when we heard of Wally's death. We wanted to let you know that you have our greatest sympathy, and our hearts are truly saddened. Wally was more than just a wonderful person, he was always there to help no matter how busy he was; no matter the time of day; and, never asking or needing anything in return. He was my "backdoor" neighbor and wonderful friend. We know that his passing will not only leave a void in our lives, but in the hearts of all those who knew him. Our sincere thoughts and prayers are with you.

“ *Dear Brandon and Clete,*

My prayers and thoughts are with both of you. I am so shocked. He called me about two months ago and we had decided to get together before Christmas. It doesn't seem possible.
