“ I was saddened to hear that Coach Davis had passed. He was a great soccer coach and I have many fond memories of Coach on the fields at Augusta Prep. Coach was "old school" and he pushed his young charges hard in order to make them better players and people. The discipline he instilled on the soccer field and the hard work required to be successful in life are two very valuable lessons I learned from him.

RIP Coach Davis and condolences to the family.

“ My sincere condolences to the family. Coach Davis was a truly good man whom gave much to many. I always admired Coach Davis for his character and unrelenting desire to get the best out of his athletes and students. I will always thank him for taking our team to to the state championship and beating Pace to become state champs. A true giver to others. He will be missed.
