“ *One of the last times I remember seeing Andy - was at the Hopeful Cemetery down in Burke County several years ago. He & little Ray were there along with Ben Hamilton, Ted and someone else. We were all there to clean up around the Carswell Cemetery - where Isabella & Alexander Carswell of Scotland were buried. They came to Burke County in the late 1700's to help found a New Nation. We had a Great time cutting down Trees - and cleaning up around the Cemetery. This Family has shown so much Love and Respect - for the Carswell Legacy - and I know the Tradition will continue with those left behind. Rest in Peace my friend. Gary Dunagan*

“ *I've known Andy since high school and he became a very good friend to me. We played a lot of golf together over the years, especially at Jim and Lilies in Jackson along with John Ergle and Robert Thompson and many others. We would get to Jackson when they opened and most of the time played 54 holes with a chili dog and coke after every 18 holes and close them down at 7:00 at night. Some very good times together and going to a lot of Carolina games, win or lose he loved the Gamecocks. Also worked 25 years or more at Kimberly Clark with Andy and he always made working there a little more bearable. I always appreciated his input and thoughts and just a good person to be around. He was the type of person that you liked having around all the time and he will be missed by me and a lot of others. Rest in Peace my friend.++++++

“ I attended North Augusta High Scholl with Andy, graduated in 1975. We shared a few classed together and I thought the world of Andy, he was a fun loving & kind person. I played football there and Andy would call me "PIC" after the movie "Brian Piccolo" who played with Gale Sayers..
This sure makes me sad to hear of his passing, Rest In Peace my friend.

Andy and I were great friends in the eighth grade. We went to the YMCA together several times. We recently became friends on FB. He called me awesome. It was he who was truly awesome and he inspired everyone that knew him to be a better person. His life was too short, but well lived. I will miss him! RIP Andy.
