“ *The world has lost an amazing man. A man of honor, courage and integrity. I am so honored to have been a part of his family. My big brother - my hero who was my confidant, my mentor, my advisor. I will miss him. I thank God that he was blessed with an AMAZING AMAZING wife and family. Through this time, I witnessed the truest picture of love I have ever seen by watching the family gather around him. Sis - I love you and I will always be no more than a phone call away. I only wish I could have realized sooner what an amazing person my big brother married. Please let me know if there is anything I can ever do. I know he is looking down on us now. I hope that he is proud of what he sees. It comforts me to know that he is with Jesus.##imported-begin##Rebekah Armstrong##imported-end##*
