MR

Walter was always very special to our Madden family. I loved for you all to visit when I was a little girl because he gave me so much special attention. He loved everyone but I think he had a special place in his heart for children. He was always so full of life, happy and you felt good just to be around him. I have to remind you how much Granny Sue loved him. She loved him for the wonderful man he was. May God comfort your family. He will be missed...
