My Deepest Sympathy...

Gary, Stephanie, and family:

I was blessed to be able to call myself Mrs. Bailey's Nurse. I loved her very much and did everything I could to make her treatment a little less of a "chore." We shared many special moments and conversations that will forever remain in my memory as we were connected through Our Heavenly Father. We immediately bonded from day one and I wanted her to know she was special and deeply cared for...I am pretty positive I was effective at portraying this to her as her R.N. and friend. Mrs. Bailey touched my life in many ways. Her selflessness and caring thoughts for others were a blessing from God. I can remember stressful days and Mrs. Bailey in her Bible praying away for my situation . Such a thoughtful and kind act of love! During her difficult times, I would reassure her and simply talk with her and from that built an everlasting friendship. Her memory will forever be in my heart. I am blessed to have cared for Mrs. Bailey and get to know her beautiful family.

Stay strong in The Lord together and allow Him to carry your burdens.

*Again, God bless each of you and praying all the time for the family!
I miss you Mrs. Bailey :'(*
