“ Dear Kay: We extend our deepest sympathy for the passing of Warren. Even though our association with you and Warren was very brief since we moved to Evans, GA in the fall of 2021, we underscore the kind words in Warren's obituary concerning his love and support for so many people. We will follow the suggestion in the obituary and contribute to the Tunnels to Towers Foundation on behalf of your late husband Warren Kurtze. Kay, our thoughts, and prayers will be with you and your family.
