“ Amber & Erin, I'm so sorry for your loss. I will never forget one of my best friends. I will miss all the good times Wayne and I had hunting and fishing. It's unbelievable that two grouchy old men could get along so well, especially working together for all those years at the plant. Ya'll will be in my thoughts and prayers.

“ To my oldest and dearest friend. The great times that we spent together all during our childhood and adult years will always be among my fondest memories. Growing up as we did in the place that we did cemented a friendship that has lasted for over 65 years. I am so glad that we were able spend quality time together in our waning years. You left us too soon my friend but I am sure we will see each other again. I will miss you Herman.

“ *Harold and I went to school in Jackson with Wayne for all our school years. He was kind and sweet, very polite and always loving Jackson in all sports! His mother was a wonderful lady also. Enjoyed seeing him at one of the last school reunions. He looked wonderful and seemed happy. We will miss him. RIP, dear friend.*
