“ Welda was a sweet person. She loved all of her children ,grandchildren & greatgrands. She & Alvin loved to tease each other about Debo would get the last piece of sweet potato pie. She was always so kind & gracious for us to spend the weekend with them. Since Austin & Johnny have the virus, & the weather report is not good, Julie & I have decided to stay in the upstate. I loved your Mother& Dad so much. I have good memories of both of them. So sorry that all 3 of you have to go through this. Losing one parent is bad enough, not both at the same time. Your family means a lot to me. I love all of you. Nancy

“ Prayers for the family. I carpoled with Welda while working in M-Area at SRS. Never a dull moment in that carpool or anytime you were with her. Over the years she got to know my family while attending Curtis Baptist and True North Church. She was a special lady and will be missed by many.

“ Aunt Bonnie fondly remembers the great times when Welda stayed with her as a child and all the fun times with both families. Judy' & Henry remember living close to Welda & Nathan when the girls were young and going to the pool, picnics, and sharing great meals. Going back further, Judy remembers Sunday afternoons with Lorene & Rast and churning peach ice cream. Those were the days!
