To my precious family of cousin Wes, I am keeping you in my thoughts and prayers! I am so blessed to have loving memories growing up, visiting, and celebrating times of joy and even the times of grief! My mom and dad were so good to stay in contact and keep you in their prayers! Today I celebrate that so many I love are rejoicing in Heaven together forever! Sending love and continued prayers for God to give you His sweet Comfort and Peace. Loving you, cousin Donalee Hoffman Nimmo

“ It was a painful journey, but so happy you are resting in peace in your new residence. Wes now you can rest in peace and we will never forget you. Praying for God to give comfort to your family's knowing that you are with your love one in heaven. This separation is only temporary, "Until we meet again Wes". You are gone but never will be forgotten. When we lose a loved one here on earth, we gain an Angel in heaven that watches over us. Lots of great memories of all the trips we took together, looking back on all the good memories you were able to have and smile at the fact that you were able to share these before you passed away. You have reached your final destination in life and now you are united with our Lord and Savior. We pray that God will grant your family the serenity and peace that they need to get through this. Stay strong and know that you can count with us always. Love you all, may God bless you all.
