“ *My deepest condolences to the entire Spires/McIntosh family in this tough time. My heart is absolutely broken for all of you. Scott is my big brother and I am just so sorry for the loss brother! I love you and you know I'm always here for you. I pray that all of Al's family can find some peace that he is no longer suffering to help you all get through this. I didn't know Al well, but he was always so nice to me in the times our paths did cross. I want to send my love and sympathy to all of you that I do know who have been affected by this but there are too many to name and I don't want to leave anyone out so... Donna, please know that I am so sorry for your loss and you will be in my thoughts and prayers; along with the rest of Al's family. Scott, we've already talked so you know how I feel. I love you all and am here for you all if you need anything!*
