The World has lost a truly good man. One that was dedicated to his family. Matt and Jeff were blessed with a wonderful grandfather. He has left an indelible mark on their souls. They have become great men due to his strong influence. He will be greatly missed. Kathy Murray

“Dad, I wanted you to know that you were the Best Man I have ever known.... You never wanted for anything except for your family to be happy... While you and Mom did not have a lot of money, you always made sure that we never went without... New clothes for school and new clothes for Easter.... You always made sure that we had a great Christmas as you would borrow from Peter to pay Paul..... I know that you and Mom both sacrificed to make sure we had a roof on our heads, food on the table and the things needed to sustain life.... Like I said earlier, you never fussed about anything, never wanted anything but peace.... You loved watching your western shows and Braves baseball..... You never hurt anyone but took it on the chin at work as the Dean Brown's and the Carlos Kite's of the world got their promotions at Overnite and then went from being your peer to your supervisor.... I know they treated you unfairly as they would have you work on the dock on certain nights after working all day on the route..... that's ok.... you got something they will never have.... that is character..... You are missed very much but I am glad you are not suffering anymore.... While in the past 2 years, you have wanted to go home.... well you have finally gone home and back to Mom, family and friends.....

Again, you are the Best Man I have ever known and I can only wish I could be as good as you.... Rest in Peace Dad.... you are finally home....

Love always, Chubby

“ Dad,

Howdy Doody!

You are going to be Greatly missed!

You and Mom are now back together in heaven! Woooo!

And I know You and Mom will keep a watch over us until we meet again.

And don't worry! They have plenty of Kleenex's and chewing gum in heaven.

You was a man of Not many words but when you said something you meant it.

WE ALL LOVE YOU AND MOM! SEE YA AGAIN ONE DAY!

Daddy I have really had a hard time accepting the fact that you are gone, but I know you are so glad to be back with mama. She loves you so very much and I know that you were so glad to be back with mama. You guys made a great life for us kids. The day that you and I went in the house at 211 Palmetto Avenue in Belvedere. That was the day that I started calling you my one and only "daddy". I have always loved that I was your daughter. You worked so hard every day, but you never complained no matter how tired you were. You always had to take an extra shirt to work cause you were always sweating so badly riding in that big truck with no air conditioning. You always provided for us no matter how much of a strain that put on you and mama. Tell mama how much me & Jerry miss her. You know we will see you again (maybe sooner than) than you think. Daddy, you are a strong man, quiet man, and a wonderful daddy. You are the greatest man I've ever known. God bless you and mama.
