“ My Daddy was my rock ! He was everything to me . When I had a problem I would go to him, and everytime he would solve them. He was kind, considerate, a great listener . I loved his laughter & his smile . I loved listening to him talking about history of America . He talked about his military experience & what countries he visited . He truly loved going fishing & hunting & camping . I remember 1 christmas season that Mama wanted a fresh christmas tree . Daddy brought back a live christmas tree . Daddy trimmed the tree to get the tree threw front door . My Mama was so excited, Mama gave Daddy tons of kisses . My Daddy knew how to cook his favorite dishes . Like his SOS, his cracklin cornbread, his samon stew . I love you Daddy, and I always will . ❤️

“ *Saying my father was the best Dad would be a understatement .
When I was in high school he always made it a priority to take me
out to breakfast before he used to drop me off at school. Those
sweet moments are the ones I always cherish with my loving father!*
