“ Claudia and Cleve, Oh how I loved that ol'Bud. We all had some very good times and he did make me laugh and put me in my place a time or two. Those weekends at Clarks Hill when I would get into a huff, he could always get me out of it and make me laugh. I will never forget him and love all of you more than you know. I know that this will be hard for you and Cleve but you are both strong. Know that my prayers have been with you and will continue to be with you both. I love you.
