“ *Will was such a dear, dear friend and so very good to me. We first met at our church, St. John's Episcopal over 15 years ago. We became good friends. I am now in a nursing home, yet Will continued to visit me, despite my location being much further. He called and visited weekly, and would often take me to church on Sunday. He was such a kind, genuine friend. So often, Will, Millard, Tommy and I enjoyed visits. Words are inadequate to express how much he is missed. Keeping Will and all his loved ones in prayer. May God hold you in peace and comfort.*

“ Will was a dedicated friend and member of St. John's. He will be greatly missed by his Morning Prayer family and the many members who relied on him for assistance, and compassion. His efforts on behalf of the Altar Guild, Bargain Shop and many hospitality functions at the Church will be greatly missed.

Our hearts are breaking at this unexpected and sudden loss. Our prayers go out to his family and the many friends who are missing him.

"Well done, good and faithful servant!"

“ Willard was an almost lifetime friend only because I was older. I really loved him. We both lived with our cousin up in Maryland when we started our lifetime journey out of high school and had many good times together while there. Family always comes first. I will always remember you. Dale Damico.
