“ Billy & I had some good times together when we were children. Uncle Hughey & Aunt Bert would come to visit us on Sundays. Also we had big Goodwin Family Reunions which Billy always picked on me chasing me all over the place with with some kind of worm or what ever he could find he even found chase me down to just put ice down my neck. What great memories to have. I'm happy that in the pass few years we were able to make few good memories. Last time he was able to be with me was at my Birthday on February 23 at Shealy's. Billy you are gone from this earth now, but you will always be remembered by me. I will see you again someday soon. Love you, Emily
