“ *I had the pleasure of knowing and working with Billy for 20 year's through IBEW Local # 772 at SCE&G Co. I always had the greatest respect for him and remember looking forward to his input on labor related topics during wage and benefit negotiations. He represented his co workers with integrity as a job steward an served on many committees . He always put others needs ahead of himself and never missed a chance to profess his faith in God. I will keep the family in prayer and will always have great memories of this gentle giant. Rest well "Billy" until we see you again.*

“ Ms. Faye, and Family, what an honor to have known Billy and each of you all these years. How sad that I came back into your lives at the end, but God is a wonderful and merciful God He knew Billy was tired and it was time. That doesn't mean your hearts won't be sad, but know that he is healed and knowing Billy, he is up there taking care of everyone else. Your job here, is to take care of each other. Thank you for allowing me once again to come back in and see him. My thoughts, prayers, and love to each of you. May He hold each of you in the palm of His Hand until you one day can be reunited with those we have loved and lost. Lovingly, Cheri Hicks, LMSW, Social Worker Trinity Hospice
