“ Delaine and boys, we were out of town and had our newspapers saved for us. Just saw where Bill had passed and are so sorry. Hope he didn't suffer long. He had such a good sense of humor and was a real people person. Together you have raised 2 fine young men and we read where you have 7 grandchildren. God bless you for that fine family. Please take care and we will definitely donate to M. Fox Foundation. Parkinson is such a nasty disease. Love, Biagio and Ruth Ann Vericella

“ *My thoughts and prayers for " The Dalzell family. Bill was a great guy. He and I met when he had The Boat Center in Martinez. I worked at the bank next door and he and I would visit and chat often. We had some good conversations and I always looked forward to seeing him. Last time I saw him he told me about the Parkinson diagnosis. I know that the family will miss him. Good memories of Bill.*
