Mr Bishop was such a wonderful man, husband, Dad, Grandfather, and Great G. He was always loving and supportive of his family. He had such a soft heart that just kept giving. I loved him like a dad too. He and Mrs Bishop were my second Mom n Dad and always took care of me on our band trips. I know his presence will surely be missed but he will be with you always in the first butterfly, red bird, sunlight, breeze, and that slight touch you may feel on your shoulders. GOD will help you through this valley n walk you to the top of the mountain. I love each and everyone of you.
