“ *I want to extend my sincere condolences to the family. May God grant you peace and strength during this time. Keep him alive always in your hearts and remember all the beautiful memories given to you by him. In the very near future, the following scripture will be a reality. Revelations 21:4 says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." May God's words bring comfort to you and the family at this time of sorrow.*

“ I was blessed to see Billy at the Dollar General in Jackson on Saturday before he made his exit from this earth later that day. We visited for almost 20 minutes talking about our class reunion coming up and some great memories of our high school years. One of my favorite memories in those exciting and crazy teenaged years was Billy and I in my little 1966 Green Volkswagon Beetle driving down Hollow Creek Hill just as fast as we could get it to go. The funny part was were singing an old country song called "i'm the happiest girl in the whole USA" at the top of our lungs. When we finished singing, Billy made me promise him I would never tell! Sorry Billy! Seeing this big guy sing like that was a real hoot! Saturday as we visited, he was the same sweet teenager, happy about life and smiling as always. I will sure miss seeing him around Jackson. Thanking God for his gentle and tender spirit. He touched my life in a good way. Well done Billy!

“ Nothing I could say can make anything better. I looked upon Billy as a brother. He will be missed by all who had the good fortune to know him. I miss him so much already. His memory will live on in my heart.
