Our journey together was the best! We loved each other as one. We always said God, put us together, because I always said I was not looking. I thank God every day that he picked the best man I had the privilege to take this journey with. The good and the bad. We had respect for each other, we grew together. We have the best 2 daughters you could ever ask God for, and he supplied the best, also 6 wonderful grands(5 girls and 1boy) baby I couldn't have been happier with anyone else but you my love, our journey was awesome my forever love.

*Ms. Brenda,*

*My condolences go to you and your family for your loss. I just want you to know that Ken meant the world to me as my mentor and friend. People may not know that he loved and treated me like I was his own son. He taught me a lot about construction and life's lessons. I can truly say that I have had a chance to talk with, learn from, spend time and space with one of the greatest men to have walked the face of this earth. I want to thank you for sharing him with me!*

“ Brenda, I didn't know your husband personally but through you loving him so much, I feel I knew him. I also know that he was a great man for you to love him so long and with so much depth. The two of you placed God at the core of your marriage which will carry you through this most difficult time. I feel sure your faith will give you much comfort and peace by knowing your husband no longer has that body filled with pain and suffering. He's completed his journey on this earth and moved on to his eternal life. Leaving you with much love and many wonderful memories. That will be your solace until your journey is completed here and you go to your eternal home to be with your husband but mostly your heavenly Father. I love you and pray for you and all the rest of the family ❤️
