The Wright Family is so sorry for your families loss. I worked with Will for many years at SRS, he was always willing to help others. We both enjoyed watching our son's play baseball. He will be missed. Rest in peace my friend.

“*Mr. Will was an extraordinary individual who dedicated over 15 plus years to volunteering in my classroom, showing an unwavering commitment to children of all ages. His heart was especially attuned to those with exceptional needs, and he connected with each student with genuine care and understanding. He gave his time tirelessly, often arriving at 7 a.m. and staying until 3 or 4 p.m., five days a week, always eager to lend a hand wherever it was needed. Mr. Will was the epitome of a true leader—generous, selfless, and driven by a sincere desire to help others. His compassion and generosity left a lasting impact on our classroom, inspiring everyone around him with his kindness and dedication. He will truly be missed, and both Hammond Hill Elementary and our community will always be grateful for his service and unwavering commitment.*

“ I don't even know where to start. Mr Will was instrumental in getting me and my family back into church! Bringing a newly diagnosed autistic toddler into a new place can go many ways. But when the folks in True Kids at TNC paired Mr Will with my Sean, it was life changing for us. Mr Will became another grandparent to both of my kids, but the bond he formed with my son was incredible!! God Bless you, Mr Will!! We are praying for Lindsey and the rest of the family.
