“ Uncle Tony had an awesome sense of humor and a quick wit. I will miss that, along with just the sound of his voice. Weather he was talking or singing it was always a pleasant sound.

“ A man who has mentored me for the last 33 years, my stepfather William Anthony Ivey, has passed. Someone who gave so much of his heart to us had it give out on him. Forever in our hearts. Thank you, Tony, for the difference you made in all of our lives. I have myriad "teachable moments" that will be with me always. All the music, laughter, tears, pranks, Braves games (at Fulton County Stadium and Turner Field), Sunday afternoon football... I could go on and on. I find myself thinking on a daily basis of something you said or did to make a difference over the years and I suspect that won't change now. We will miss you and be forever grateful. My life was better because of you. Thank you, Tony,. You will be greatly missed. :(
