“ *Tammy, Bubba, Tracey and family,  
Our heart aches for all of you. You are all in  
our thoughts and prayers. We know that no  
words can help ease the pain and loss that all  
of you are feeling right now. It's the little  
things, the small, everyday occurrences that you'll remember. The  
laughs, the stories, the smiles. And even though it seems like you  
can never recover from your loss, it is these very memories that will  
help push the pain away and bring back the smiles.*

*"God saw you getting tired and a cure was not to be. So He put His  
arms around you and whispered "Come to Me." With tearful eyes  
we watched you, and saw you pass away. Although we loved you  
dearly, we could not make you stay. A golden heart stopped  
beating, hardworking hands at rest. God broke our hearts to prove  
to us, He only takes the best."*

“ Tammy and family, I know there are only words of comfort when a parent or loved one passes on. My heart felt sorrow and prayers are with you and your family at this time and in the following times of his passing.  
Kim and I's mom died almost 7 yrs ago and all the time spent with her and the way she suffer made it much easier to let her go to be with the Lord, but I miss her more and more each year and can't wait to see her once again in heaven. **WHAT A CELEBRATION THAT WILL BE.**  
May the Lord bring to you and your family the comfort and peace that passes all understanding during this time.

*Love in Him, Karen, James and Colby Kight*
