“ *The Anderson Family sends our deepest condolences. Mr. Todd always had the memory of knowing who his everyday customers were. He would ask about the sick in the family and if they need anything let him know. That's how he was in the community. Also knowing everyone that walked in his store. R.I.P Mr. Todd.*

“ *To Susan, Stacey, and all the family. Adrian, James and I grew up a family....my mother married their father. Many years later our parents divorced and we lost touch when I moved to Delaware with my husband. Thanks to Mary who made the effort to have us reconnect, we did and shared many good times and laughs about our years growing up. I loved them both and my heart is broken for this wonderful family. May God's peace be with you during this terrible time.*
