“ *Where do I start?*

I don't have enough room to say all I would like. I am so thankful to have called you friend and that you and Jimbo shared so much in common other than serving this great country. I can still hear you laugh at something silly that he was saying or doing. You were Pat's soulmate but affectionately "my Billy Bob".

You will love on in our hearts here with many fond memories of times spent together. One day we will be together to just pick up and continue our life forever together.

“ There are so many memories that I can recall of my Dad. But the one that comes to mind is the day I got married October 20,2007. Before going down the isle to be given away by my dad,He told me that he was very proud of the woman that I had become,he said, "Debby,your my daughter,and I love you. You have made me a proud father.Im not giving you away, I'm trusting Rob to love you,Respect you and cherish you for the rest of your lives. You will have a devoted marriage that your mom and I have. Just remember that I love you and you will always be my little girl. Every time I think of this conversation, I tear up. Those precious memories are dear to my heart. I love you Daddy!

Truly a man if Honor and respect. I worked with Walt at Lower Savannah back in around 93 to 95. Him Granville and my Son and myself had a few fishing trips to the pond, and one trip to the Mountains with a few of our other co workers. Man those were the days. Walt it saddens me that life led me away from those times and I lost touch with you. RIP, my Brother, and Friend. Your Service here on Earth is done , Job well done Sir. Thanks for the memories, Tim.
