“ *Mr. Buchanan always smiled when he saw our daughter . She had a thing for firebirds and bought several from him by the time she was 21. He'd see her in the store and ask "Aren't you about ready for another car.?"*

She died 5 days before he did from a virus, I came to visit her page and found his name..... My first thought was he couldn't pass up a chance to sell Ashley a new car on the otherside....since she had to leave her Blazer here with me.
