“ *I was fortunate to get to know Billy Coe since his move to Augusta. I was inspired by his courage in the face of adversity and his keen sense of humor. I will never forget his love of radio controlled cars. I like to think that he's running free someplace now... and thoroughly happy again! My sincere condolences to the members of Billy's family. He touched my life, and I will remember him always.##imported-begin##Mike Hartley##imported-end##*
