“ I want to extend my sympathy to all of the relatives of Buddy.

*He was my neighbor at 504 & I'm at 908.*

*One day he had not picked up his newspaper & his neighbor Ann Durst & I were leaving out & decided to knock on his door to make sure he was okay. After much pounding, he came to the door in his robe. He was very pleased that we cared enough about him to check on him. We never knew where he went or how to visit him.*

*God has blessed him now. He is out of his suffering and home now. May you all take comfort in that. Bless all of you.##imported-begin##buffy conklin##imported-end##*
