“ As we all age and our memories aren't as clear as they once were, yet I have never failed to remember this wonderful and amazing woman. I first met her when I was in elementary school...very long ago. She was the crossing guard on Georgia and Carolina Avenue. There she was every day and never without a smile on her face. She made sure all the kids were safe. She would talk to us all, still smiling and watching us closely. I remember she would stand on the curb with her arms out to hold us back until the street was clear for her to go out to the middle of the street, still watching us and telling us to wait. All of us stood quietly and waited for her instructions. It may not sound like a big deal today, but for myself and all the other young kids, we listened to her, paid attention and respected her. I thought she was so pretty, smart and caring and had the most beautiful smile I had ever seen. Maybe that's why I have always remembered her. There is one time I remember going to her house when very young, don't remember why, but I remember how I fell in love with her sweet and adorable house on Briggs Avenue. Oh how I wished that when I grew up I would have a house just like hers. I think I wanted to be just like her one day. She was indeed a special person who I admired greatly.  
Karen, Kitty, Beth and family, I am deeply sorry for your great loss. May all your loving memories of your mother stay with you and give you peace and joy in all days to come.  
I know my few memories of her will stay with me as they have for so many years.

“ *Wylene Freeman was one of my best friends. She use to come to the Cleaners in North Augusta and we would enjoy an afternoon of talking of family and friends . She was in charge of the NA Chamber of Commerce for several years and a hard and loyal worker for our community of North Augusta. She was just a dear friend and she will be missed by many. I hope some of her children will remember me and may God Bless each of you*
